Dear Harold

I recieved your letter today! and was glad to hear from you. There is no expense or trouble involved in my taping I always tape in 2's so dont worry. I dont you to have your own copy. My God the fuss these 5 tapes on A+E will cause!! So called Writtes will come out of the wood work and everywhere. Steve Rebele is really sticking his neck out! his life has already been thr... t... l s... to have first hand knowledge of the 3 assins that killed J.F.K. and talked to one of the fellows that turned the job down. I am Convicus as you say "But" for the truth not theirses. Harold what do you think? do you think that Oswald was a patsy & trigger man? I trust you and know your honest. my way of thinking is that Lee was and agent some time & natha + was a patsy as he said I believe a innosent man was killed in basment of the jail. Jack Ruby was crazy as hell he was a no body that was being used as Oswald was + didnt have

enough since to come out of the rain, the people responsible for JFK's killing killed Ruby with an injection of Concer! This is just my theorie Harold. I would like to know what you think. The man Gordon Arnold in #2 I fill sorry for him that man was ~~some~~ truely hurt & taken off guard by what was shown him, he stated that if he'd known about the picture he was shown before hand he'd never of agreed to the interview. They've probable scared the hell out of him, making him think he's the only person to have seen the killer! Please over look my spelling I'm wore out just got [illegible] a week is round a day at Carpett Mill, I'll go now I dont want to bore tier you. I sure do apreciate your letter Harold. When I order my last book I'll put a note in the M.O to remind you to sign it. Just put what you want to. & sign & date. I'll go now, Write if you fill like it.

Sincerly your friend

Martha

P.S. Steve Rebele is trying to go to crowd Jury. He probably wont live long enough ☺
